MEXICAN BANDITS RAID SAN IGNACIO

In the Battle Which Ensued Eight Mexicans Were Killed—American Loss Was Three Privates Killed and Six Wounded—Papers Found on One of the Bandits Indicated That He Was Major Cruz Ruiz, of Carranza's Army.

San Antonio, Texas, June 15.—In the clothing of one of the bandits killed in the San Ignacio fight were found papers indicating that he was an officer in the Carranza army, according to a late report from General Mann.

The total number of Mexican dead is now placed at eight, the American dead three and the wounded six. The papers found on the dead bandit indicated that he was Major Cruz Ruiz. Doubt as to the identity of the organization was cleared by the story of Vicente Lira of San Antonio, who appeared in the American camp after the fight. Lira was a prisoner of the bandits. He escaped during the fighting. According to Lira the bandits are members of Luis de la Rosa's organization and noted under his orders.

He said they left La Janita, a few miles south of Laredo, Monday night

and moved steadily forward with nothing to eat for forty-eight hours, and reaching a point almost opposite the American camp. Within an hour they crossed the river a mile above San Ignacio, attacking almost immediately.

Lira said he had been arrested by the bandits at La Janita and forced to accompany them.

General Pershing reported to General Funston today the capture of Pedro Lujan by Captain Turner at Tepic, 25 miles south of Santa Clara.

Following are the names of the American soldiers killed during the fight: Private Charles S. P. Mowbray, Private Edward Katonah, Private N. Madden.

The wounded are: Privates Thomas H. Ewing, James E. Rousch, Corporal William Oberleis, Private Tony Navina, Private Henry Matasoff and Private P. W. Minette.

DETAILS OF INCIDENTS

ON BOARD THE HAMPSHIRE
Not Known Whether Lord Kitchener Entered a Lifeboat.

London, June 15, 8:55 p. m.—Details of some of the incidents on board the British cruiser Hampshire, just before she sank off the Orkney's last week, causing the death of Field Marshal Earl Kitchener, are given in an official statement issued tonight based on statements made by the dozen survivors of the cruiser who were washed ashore on a raft.

"From the report of the twelve survivors of the Hampshire," says the statement, "the following conclusions were reached:

"As the men were going to their stations before abandoning the ship Lord Kitchener, accompanied by a naval officer, appeared. The latter said, 'Make way for Lord Kitchener.' Both ascended to the quarterdeck. Subsequently four military officers were seen there, walking aft to the port side.

"The captain called Lord Kitchener to the fore bridge near where the captain's boat was hoisted. The captain also called Lord Kitchener to enter the boat. It is unknown if Lord Kitchener entered it or what happened to any boat."

Bridgeport.—It will be a hard proposition to secure a cottage at Walnut Beach this year, as there are but few to be had, as most of them are rented the year round, due to the scarcity of rents in Bridgeport.

OFFICERS OF DEMOCRATIC

NATIONAL COMMITTEE
Vance McCormick of Pennsylvania to Have Chairmanship.

St. Louis, Mo., June 15.—Word was received from Washington this afternoon that the election of the following officers of the new democratic national committee would be agreeable to President: Vance McCormick, of Pennsylvania, chairman; Homer S. Cummings, national committeeman of Connecticut, vice chairman; Representative Carter Glass of Virginia, secretary; W. W. Marsh, national committeeman of Iowa, treasurer, and Fred B. Lynch, national committeeman of Minnesota, the chairman of the executive committee. The new committee may meet for purposes of organization tomorrow.

Vice Chairman Cummings said he had received a telegram from President Wilson giving the names of the suggested officers. Mr. Cummings said that the choice of officers was very pleasing to the committeemen.

"The choice of Mr. McCormick as chairman is an excellent one," said Mr. Cummings. "We will probably hold a session of the committee on Saturday for purposes of organization and election of officers."

MICHIGAN PROGRESSIVES

TO HOLD CONFERENCE

To Discuss Amalgamation With the Republican Party.

Detroit, Mich., June 15.—It was

The exact formula on every can

Even an expert cannot tell by looking at varnish whether it is adulterated. That is why it is so important that you should always buy varnish with a guarantee formula.

DEVOL
THE GUARANTEED
VERNSITE THE LONG LIFE
PALE INTERIOR VARNISH
MARBLE FLOOR FINISH

For outside work and all surfaces exposed to water, use Vernosite. It will not turn white from rain or sleet and the sun will not blister it.

For inside work where extremely transparent varnish is required, use Pale Interior. It preserves the natural beauty of the wood, is hard to mar and won't scratch white.

For all floors use Marble Floor Finish. It waterproofs the wood, and enables it to withstand the severest wear and tear without maring.

We strongly recommend these three varnishes, because the guarantee formulas on the cans prove that they have been properly aged and that they are absolutely free from resin and other adulterants.

Never take chances with varnish. Get Devol and be sure.

Glenwood

"It certainly does make cooking easy"

Complete Gas Range attached to the end of Coal Range.

Glenwoods are Brim Full of Good Things

The Glenwood Balanced Baking Damper is far ahead of any other—it is as positive as the turning of a railroad switch—open to start the fire, closed to bake—just this one damper for kindling or baking and best of all, it can't warp or stick.

The Glenwood Revolving Coal Grate is easy to shake at all times, and simply fine for removing clinkers. It is triangular in shape, with three different sides for wear.

The Ash Pan rests on a roller bearing frame—just open door and it rolls out at the slightest touch, neat and clean.

The Glenwood Shelf Under Oven Door is not stationary—it automatically raises and lowers as oven door is opened or closed. It is always level with oven bottom—a great convenience when basting meats or removing food.

The Glenwood Sectional Top is interchangeable—cross pieces can not warp—a wash boiler can be placed at the back as well as in front for quick heating, leaving the front holes free for cooking.

Glenwood Iron is smooth and perfect—the easiest of any to clean—a real delight to the most exacting housekeeper. Get one and you'll be glad ever after.
